

## PREFACE

Praise and deep gratitude to Allah SWT for the abundance of grace and guidance that has been given to the author that made this thesis with the title “The Effect of Content Marketing on Buying Decision Process Through Customer Engagement (Case Study Tiket.com)”. This thesis is one of the requirements to obtain a bachelor’s degree in Business Administration Major of Business Administration Study Program, Faculty of Communication and Business at Telkom University. As for the process of compiling this thesis, the authors received a lot of guidance, assistance and support from various parties, therefor on this occasion the author sincerely thanks to:

1. Mr. Syahputra, Ph.D as Head of Business Administration Study Program, Faculty of Communication and Business, Telkom University.
2. Mrs. Marheni Eka Saputri, S.T., MBA. as the supervisor who has contributed greatly to spend her time, thoughts, and attention to provide guidance, direction, and suggestions for authors in completing this research.
3. Mrs. Trisha Gilang Saraswati S.E., M.S.M. as the author's guardian lecturer who guided the author in his studies at Telkom University.
4. All lecturers of the Business Administration Study Program who have provided knowledge, insight, and understanding as well as experience during the author's study at the Faculty of Business Communication, Telkom University.
5. Salsa, Apip, Johan, Aul, and lingga who always hangs out with and helps the author every time.
6. Janat who always helps and accompany the author whenever he needs it.
7. Teman lama who have accompanied and supported the author since elementary school until now.
8. Gatrix Hijrah who have accompanied and supported the author since senior high school until now.
9. Alethea who have hanged out with the author several times and occasionally supported him. May our path cross in the future.
10. HIMA ADBIS who have facilitated the author’s journey during his college years and gave him countless memorable experiences.

11. All Administrative Staff of the Faculty of Communication and Business for the fluency of information and support in carrying out administrative activities during this educational program.
12. AB-42-INT classmates who have provide support and have been together during this lecture.
13. All those who cannot be mentioned by the author one by one who have given help and support, may God Almighty bestow His mercy and grace on them all.

Hopefully all forms of assistance given to the author will receive the greatest possible reply from Allah SWT. The author realizes that in this thesis research there are still many shortcomings, and it is far from perfect. In conclusion, I hope this thesis can be of benefit to the author in particular, all parties and useful for future research.
