

## DAFTAR GAMBAR

|                                                                          |    |
|--------------------------------------------------------------------------|----|
| Gambar 1. 1 Pergerakan IHSG Juni 2019 - Oktober 2021 .....               | 3  |
| Gambar 2. 1 Jenis - Jenis Machine Learning .....                         | 13 |
| Gambar 2. 2 Model LSTM.....                                              | 15 |
| Gambar 2. 3 Model Artificial Neural Network.....                         | 16 |
| Gambar 2. 4 Kerangka Pemikiran.....                                      | 24 |
| Gambar 3. 1 Rangkaian Penelitian.....                                    | 28 |
| Gambar 4. 1 Outlier Interest Rate .....                                  | 37 |
| Gambar 4. 2 Outlier Inflation Rate .....                                 | 38 |
| Gambar 4. 3 Outlier Exchange Rate .....                                  | 38 |
| Gambar 4. 4 Outlier Money Supply (M2).....                               | 39 |
| Gambar 4. 5 Handling Outlier Interest Rate .....                         | 39 |
| Gambar 4. 6 Handling Outlier Inflation Rate.....                         | 40 |
| Gambar 4. 7 Hasil Evaluasi Performa Model LSTM.....                      | 42 |
| Gambar 4. 8 Hasil Evaluasi Performa Model Artificial Neural Network..... | 43 |
| Gambar 4. 9 Hasil Prediksi IHSG .....                                    | 45 |
| Gambar 4. 10 Hasil Prediksi Menggunakan ARIMA .....                      | 49 |
| Gambar 4. 11 Hasil Prediksi Menggunakan LSTM.....                        | 50 |
| Gambar 4. 12 Hasil Prediksi Menggunakan Artificial Neural Network.....   | 52 |
| Gambar 4. 13 Hasil Prediksi Menggunakan ARIMA, LSTM, dan ANN .....       | 53 |
