And for Angelica Evita

You're normal you know this is, this is life you know, this is what people go. Through this is what everyone else, before me went through. So well think of yourself as just as one of them and that you're doing fine. Sometimes you're doing better, sometimes you're doing worse, but at the end it's, it's you so. I just want you to have no regrets, I want you to feel yourself grow and I just want you to also love yourself. I always wanted to tell myself that I always wanted to tell and make myself to love myself. Because it's never been easier for me to do that so, yeah go try
