

## DAFTAR SINGKATAN

|        |  |
|--------|--|
| MBS    | : <i>Macro Base Station</i>                            |
| FBS    | : <i>Femto Base Station</i>                            |
| MUE    | : <i>Macro User Equipment</i>                          |
| FUE    | : <i>Femto User Equipment</i>                          |
| HetNet | : <i>Heterogeneous Networks</i>                        |
| RB     | : <i>Resource Blok</i>                                 |
| BA     | : <i>Bat Algorithm</i>                                 |
| SINR   | : <i>Signal to Interference and Noise Ratio</i>        |
| OFDMA  | : <i>Orthogonal Frequency Division Multiple Access</i> |
| TTI    | : <i>Time Transmission Interval</i>                    |
