Title : *PORTRAIT PHOTOGRAPHY FACE OF HAPPINESS*
CREATION PROCESS

Final Project : Fine Arts Study Program, Faculty of Creative Industries, Telkom
University

Expression is a process of expressing a person's emotions and feelings in response to something, whether he likes it or doesn't like it. Expression itself is one of the supporting things in conveying or responding to something. And happiness is something that is hard to find. In this final project, the author wants to know what happiness is and how it feels for himself by using portrait photography that highlights the author's expression in his daily pursuit of happiness.
