

LIST OF FIGURES

2.1	Overview of Continues User Autentication	6
2.2	Single Domain Specific Crawling	7
3.1	Log File	8
3.2	Overview of the registration process	10
3.3	Recording Activity	11
3.4	Extraction of path	13
3.5	List of Activity in one periode of time	14
3.6	Entity Relationship Diagram of Feature	20
3.7	Verification	25
4.1	General Flow of activity user with probability per-item	30
4.2	Flow of Activity user with weight of probability	34
B.1	Extraction Feature	54
B.2	Validation	55
B.3	The result of the verification for session 1	55
B.4	The result of the verification for session 2	55
B.5	The result of the verification for session 3	56
B.6	The result of the verification for session 4	56
B.7	The result of the verification for session 5	56
B.8	The result of the verification for session 6	57
