## LIST OF FIGURES

|     |                                                                                      |    |
|-----|--------------------------------------------------------------------------------------|----|
| 2.1 | Illustration Interframe Video Forgery . . . . .                                      | 6  |
| 2.2 | Outlier . . . . .                                                                    | 9  |
| 3.1 | Illustration Static and Dynamic Scene in Forgery Video . . . . .                     | 11 |
| 3.2 | General Schema of Video Forgery Identification . . . . .                             | 12 |
| 3.3 | Different of Magnitude Optical Flow . . . . .                                        | 15 |
| A.1 | Detection Result : Duplication Forgery (DUP6.avi) . . . . .                          | 37 |
| A.2 | Detection Result : Insertion Forgery (INS15.avi) . . . . .                           | 38 |
| A.3 | Detection Result : Deletion Forgery (DEL16.avi) . . . . .                            | 39 |
| A.4 | Detection Result : Duplication Forgery of Compression Video (CDUP1.mp4)<br>. . . . . | 40 |
| A.5 | Detection Result : Insertion Forgery of Compression Video (CINS5.mp4) .              | 41 |
| A.6 | Detection Result : Deletion Forgery of Compression Video (CDEL8.avi) . .             | 42 |
| A.7 | Detection Result : Duplication Forgery of Blind Video (BDUP1.avi) . . . .            | 43 |
| A.8 | Detection Result : Insertion Forgery of Blind Video (BINS3.avi) . . . . .            | 44 |
| A.9 | Detection Result : Deletion Forgery of Blind Video (BDEL3.avi) . . . . .             | 45 |
