

PREFACE

All praise to Allah SWT, for all his blessings had allowed the writer to complete this final year project, titled “SCHEDULING N JOBS ON IDENTICAL PARALLEL MACHINES IN PT XYZ TO REDUCE TOTAL TARDINESS USING EDD RULES AND JOB SPLITTING PROPERTY” in due time. The writers would like to give thanks to the writer’s parents and siblings for their support and kindness. The writer would also like to give a special thanks to:

1. Dr. Dida Diah Damayanti, S.T., M.Eng.Sc as the 1st advisor lecturer and Ayudita Oktafiani., S.T., M.Sc as the 2nd advisor lecturer for being a very kind and considerate lecturer to the writer.
2. PT XYZ for allowing the writer to observe the company
3. Shavira Azzahra for providing moral support.
4. Shalma Zahra Nabilah and Muhammad Daffa Alfarrasi, because Practicum would not be half as fun without you guys.
5. Pengabdi Tamiko friends who can’t be named one by one.
6. SISPROMASI Laboratory assistants 2018 for countless lessons, late night meetings, soap opera drama, and hanging doing nothing in the laboratory.
7. WNT Squad for their contribution to the writer’s fond memories of college.
