

## TABLE LIST

|                                                                              |    |
|------------------------------------------------------------------------------|----|
| Table 1. List of Application.....                                            | 3  |
| Table 2. Project Delay Timeline .....                                        | 5  |
| Table 3. Alternative Solutions Table .....                                   | 7  |
| Table 4. Comparison of Methods for Scope Baseline Design.....                | 22 |
| Table 5. Comparison of Methods for Schedule Baseline Design .....            | 22 |
| Table 6. Comparison of Methods for Cost Reimbursement.....                   | 23 |
| Table 7. Reason for Method Selection.....                                    | 23 |
| Table 8. Project Document .....                                              | 32 |
| Table 9. Project Charter .....                                               | 33 |
| Table 10. Milestone List.....                                                | 34 |
| Table 11. System Requirement Identification .....                            | 35 |
| Table 12. User Identification .....                                          | 36 |
| Table 13. Input & Output System.....                                         | 36 |
| Table 14. Specification and Standard Design.....                             | 37 |
| Table 15. Project Scope Statement .....                                      | 40 |
| Table 16. Decomposition Process.....                                         | 41 |
| Table 17. Time plan .....                                                    | 42 |
| Table 18. Project Activities Table .....                                     | 43 |
| Table 19. Calculation Early Time in process of Designing Network Diagram...  | 45 |
| Table 20. Calculation Latest Time in process of Designing Network Diagram..  | 46 |
| Table 21. Calculation Total Float in process of Designing Network Diagram... | 48 |
| Table 22. WBS Direction Table .....                                          | 55 |
| Table 23. Verification Design Table.....                                     | 62 |
| Table 24. Feasibility Analysis Table.....                                    | 70 |
