*Futsal comes from the Spanish word Futbol (soccer) and Sala (room). When the two words are combined, it becomes indoor soccer. In recent years, futsal has become a very popular sport for all ages. Ranging from children to adults, men and women. Currently, there are still many futsal places that use conventional booking methods such as face-to-face meetings, telephone appointments, writing appointments on paper, and so on. In addition, many futsal schools or academies have sprung up in various regions. Any information about futsal is disseminated through brochures, social media and word of mouth. Where is now the dissemination and search for information that should be easy to obtain. However, they are still grouped based on certain scopes, namely different social media accounts. Based on these findings, the solution offered is a website-based Futsal Information System in Cilacap City. This Futsal Information System provides information on the schedule for booking field rentals and futsal events in Cilacap City. So that it is easy to reach or be accessed by futsal lovers in Cilacap City.*
