

## ABSTRACT

---

*The admin is the person who has a big responsibility for the web-based donation fundraising application. Is the person who manages all activities in the application. Only admin can verify all incoming data. Whether its data to create a campaign. And the admin is also responsible for the incoming funds. Being an admin is not an easy thing. Admin are required to be able to maintain the application to avoid people who want to do evil.*

*Keywords: Admin*
