ABSTRACT

There are many kinds of wealth in Garut Regency, but many tourist didn't know about tourist sites that are no less popular like in Cipanas Garut. At this point, tourist get difficult to find complete information about locations or attraction in Garut Regency. Tourist attractions that are not popular are usually only known by potential tourist on a limited basis, for example only via mouth to mouth (sharing to share). The Tourist who buy tickets directly have the potential to meet queues causing an so uncomfortable feeling.
Then need a platform to get more complete information about tourist destinations and cultural events in Garut Regency. And hopefully there will be a platform is expected to help increase the number of tourist visits and help the tourist to make a plan more comfortable visits.
