

FOREWORD

Alhamdulillah, praise be to God Almighty. This Final Project is a journey in the last year of my undergraduate studies at the Industrial Engineering Undergraduate Study Program, Faculty of Industrial Engineering, Telkom University.

My thanks to:

1. My Final Project Supervisor, Mrs. Sari Wulandari, S.T., M.T. and Mrs. Ima Normalia Kusmayanti S.S, M.pd. for the direction, guidance, advice, motivation, patience, time and energy that has been given to me.
2. To the President Director, Director 1, and Director 2 of Mamaberry Chips Gourmet who have been willing to provide data sources ranging from interviews, observations, and documents for the implementation of the final project.
3. To all Industrial Engineering lecturers and TI-42-INT classmates, espescially Mr. Wawan Tripiawan for all advice and guide during my studies in Telkom University.
4. My Parents who has supported me in the form of prayer, support, and support during my education.
5. Ishlah Maulidiya who has supported me in the form of prayer, support, and support raised me up when I was down to complete this Final Project.

I am aware that the final project that I compiled is not perfect, therefore I really hope for suggestions and criticism so that I can make my work better. Hopefully this research can be useful especially for Mamaberry Chips Gourmet as an object of research and generally for all circles, and can be used as reference material for interested parties.
