

## **Table of Contents**

Approval page .....	ii
Self declaration against plagiarism .....	iii
Abstract .....	iv
Preface.....	vi
Table of Contents.....	vii
List of Figure.....	xi
List of Table.....	xiv
List of Abbreviation.....	xvi

## **CHAPTER I. INTRODUCTION..... 1**

1.1 Background.....	1
1.2 Objective .....	3
1.3 Problem .....	3
1.3.1 Problem limitation .....	3
1.3.2 Problem .....	3
1.4 Hypothesis .....	3
1.5 Research method.....	4

<b>CHAPTER II. CELLULAR TECHNOLOGIES .....</b>	<b>5</b>
2.1 Cellular concept .....	5
2.1.1 Frequency reuse .....	6
2.1.2 Cluster and capacity .....	7
2.1.3 CCI and system capacity .....	11
2.1.4 SINR .....	12
2.2 GSM .....	13
2.2.1 Network structure GSM .....	14
2.2.2 GSM frequency band .....	14
2.3 Long Term evolution (LTE) .....	15
2.4 OFDM .....	19
2.5 Femtocell .....	21
2.5.1 Femtocell overview .....	21
2.5.2 Basic definition femtocell .....	22
2.5.3 Benefit of femtocell .....	23
2.5.4 Femtocell technologies .....	25
2.5.5 Challenge of femtocell .....	26
 <b>CHAPTER III. COEXISTENCE NETWORK DESIGN .....</b>	 <b>27</b>
3.1 GSM network model .....	27

3.2 LTE Indoor femtocell model .....	29
3.3 Coexistence model .....	30
3.4 Performance metrics .....	32
3.4.1 SINR of GSM uplink .....	32
3.4.2 SINR of LTE femtocell .....	34
3.4.3 Femtocell throughput .....	36
3.5 Design experiment .....	37

**CHAPTER IV. SIMULATIONS AND ANALYSIS..... 45**

4.1 Impact of femtocell number on SINR of GSM .....	45
4.2 Impact of deployment position on SINR of GSM .....	48
4.3 Impact of femtocell number and deployment Position on SINR of GSM.....	50
4.4 Impact of GSM Macrocell size on the SINR of GSM.....	52
4.5 Impact of femtocell number on SINR of LTE femtocell .....	55
4.6 Impact of deployment position on SINR of LTE femtocell .....	57

4.7 Impact femtocell number and deployment position on SINR LTE femtocell ..... 60

4.8 Impact of GSM Macrocell size on the SINR LTE femtocell..... 63

4.9 Impact of femtocell number on femtocell throughput ..... 65

4.10 Impact of deployment position on femtocell throughput ..... 68

4.11 Impact femtocell number and deployment position on femtocell throughput ..... 71

4.12 Impact of GSM macrocell size on the femtocell throughput..... 74

**CHAPTER V. CONCLUSIONS ..... 77**

**REFERENCES ..... 81**
