

PREFACE

Praise to Allah SWT for the blessing and strength to me so this thesis can be done with title “*Inter-system frequency allocation strategies for GSM Network integrated with LTE femto*”. Just only because of him this thesis has been written.

It can not be denied that many people who contribute in this thesis, therefore I would like to take this opportunity my utmost gratitude and sincere appreciation to:

1. Dr.Ir. Rina Puji Astuti, MT, as my First Supervisor, thank you for your time, advice and support.
2. Dr. Arfianto Fahmi, ST, MT, as my Second Supervisor, thank you for your time, advice and support.
3. My beloved Mother (Yuli dyasri), thank you so much for your pray, support and thanks for being the best parent all over the world.
4. My lovely wife (Astrid), thank you for all pray, support, time and caring.
5. All of my friends in Graduate Program Telkom University, thank you for sharing any experiences and laugh together along the study.

May you are all been blessed always.
