

## LIST OF TABLES

|                                                                                                          |    |
|----------------------------------------------------------------------------------------------------------|----|
| Table 2.1 Previous Research .....                                                                        | 16 |
| Table 3.1 Research Characteristic.....                                                                   | 24 |
| Table 3.2 Operational Variable .....                                                                     | 25 |
| Table 3.3 The Results of The Validity Test .....                                                         | 29 |
| Table 3.4 The Results of The Reliability .....                                                           | 31 |
| Table 3.5 Rating Category .....                                                                          | 33 |
| Table 3.6 The Results of The Normality Test.....                                                         | 34 |
| Table 3.7 The Results of The Normality Test.....                                                         | 34 |
| Table 3.8 The Results of Simple linear regression Test.....                                              | 35 |
| Table 3.9 The Results of Hypothesis Testing .....                                                        | 36 |
| Table 4.1 Respondent's Remuneration level based on financial remuneration<br>Dimension .....             | 41 |
| Table 4.2 Respondent's Remuneration level based on Non-Financial<br>Remuneration Dimension.....          | 44 |
| Table 4.3 Respondent's Turnover Intention level based on Thinking of Quitting<br>Dimension .....         | 49 |
| Table 4.4 Respondent's Turnover Intention level based on Intention of Search<br>Dimension .....          | 51 |
| Table 4.5 Respondent's Turnover Intention level based on Intention to Quit the<br>Company Dimension..... | 54 |
| Table 4.6 Simple Regression Analysis.....                                                                | 60 |
| Table 4.7 Correlation Pearson Analysis .....                                                             | 61 |
