

LIST OF TABLES

Table I.1 Rajangan packing blend processes	2
Table I.2 List of packing blend orders in 2022	3
Table I.3 Alternative solution	5
Table II.1 Selection of standard design framework	17
Table III.1 Identification of integrated components	23
Table III.2 Final project completion time	23
Table IV.1 30 observation of processing time for rajangan packing blend	27
Table IV.2 30 observation of raw materials arrival time	28
Table IV.3 Real output data	29
Table IV.4 Simulation output data	29
Table IV.5 Fixed salary cost	30
Table IV.6 Variable salary cost.....	30
Table IV.7 Replication calculation	48
Table IV.8 Model validation	48
Table IV.9 Hypothesis	49
Table IV.10 Decision	49
Table IV.11 Scenario of different input amount	49
Table IV.12 Total cost of existing system	50
Table IV.13 Total profit of existing system.....	50
Table IV.14 Total cost of scenario 1	51
Table IV.15 Total profit of scenario 1	51
Table IV.16 Total cost of scenario 2.....	52
Table IV.17 Total profit of scenario 2	52
Table IV.18 Total cost of scenario 3.....	52
Table IV.19 Total profit of scenario 3	53
Table IV.20 Total cost of scenario 4.....	53
Table IV.21 Total profit of scenario 4	54
Table IV.22 Total cost of scenario 5.....	54
Table IV.23 Total profit of scenario 5	54
Table IV.24 Total cost of scenario 6.....	55
Table IV.25 Total profit of scenario 6	55

Table IV.26 Total cost of scenario 7	56
Table IV.27 Total profit of scenario 7	56
Table IV.28 Total cost of scenario 8	56
Table IV.29 Total profit of scenario 8	57
Table IV.30 Total cost of scenario 9	57
Table IV.31 Total profit of scenario 9	57
Table IV.32 Total cost of scenario 10	58
Table IV.33 Total profit of scenario 10	58
Table IV.34 Total cost of scenario 10	59
Table IV.35 Total profit of scenario 10	59
Table IV.36 Total cost of scenario 10	59
Table IV.37 Total profit of scenario 10	60
Table IV.38 Total cost of scenario 10	60
Table IV.39 Total profit of scenario 10	60
Table IV.40 Total cost of scenario 10	61
Table IV.41 Total profit of scenario 10	61
Table IV.42 Total cost of scenario 10	62
Table IV.43 Total profit of scenario 10	62
Table V.1 Profit of the proposed system.....	63
Table V.2 Profit of the proposed system.....	63
Table V.3 Profit of the proposed system.....	63
Table V.4 Profit of the proposed system.....	64
Table V.5 Existing inventory policy output data	69
Table V.6 Existing %empty on each machine	69
Table V.7 Existing %part occupied on each machine.....	69
Table V.8 Cost of the existing system	70
Table V.9 Profit of the existing system.....	70
Table V.10 Proposes inventory policy output data	71
Table V.11 Proposes %empty on each machine	71
Table V.12 Proposes %part occupied on each machine	71
Table V.13 Cost of the proposed system	72
Table V.14 Profit of the proposed system.....	72
