

PREFACE

Alhamdulillah, with the praise and gratitude to Allah SWT, who has given all his grace and gifts so that the author can complete the final project research proposal report entitled "**DESIGNING EMPLOYEE NEEDS AT THE LABANGKA SUB-DISTRICT PUSTU (AUXILIARY HEALTH CENTER) WITH A MENTAL WORKLOAD MEASUREMENT SYSTEM USING NASA-TLX WORK SAMPLING AND METHODS**" can finished well. In preparing the final project research proposal report, the author found many obstacles and difficulties. Still, thanks to the encouragement and motivation from various parties, the authors could finally complete this Final Project research proposal report following the specified time. Therefore, the authors would like to express their deepest gratitude to:

1. Allah SWT who has given His pleasure so that the author can compile the final project research proposal on time.
2. Both parents, Mrs. I Gusti Ayu Shanti and Mr. Awang Darmawan, provided support in completing this final project even though it took a lot of time.
3. Mr. Dr. Ir. Christanto Triwibisono, M.M. as the supervisor in the Final Project proposal research who has provided guidance, direction and advice during the preparation of the Final Project proposal.
4. Mrs. Dr. Fida Nirmala Nugraha, S. Psi, M.Psi. as the second supervisor in the Final Project proposal research who has provided guidance, direction and advice while preparing the Final Project proposal.
5. To Thania Dwitya Putri, I Gusti Ayu Swathi, and I Gusti Made Waspha as a family who provided support during the completion of this final project.
6. Last but not least, i wanna thank me, for believing in me, for doing this hard work, for having a bad day but still strong, for having no days off, for never quitting, for always being a giver, and for always being me all the time.

The author realizes that there are still many mistakes and shortcomings in writing the Final Project report due to the limitations in the knowledge that the author has.

The author hopes for criticism and suggestions to improve this Final Project report. Finally, the author would like to thank you.
