

PREFACE

Praise and gratitude to the presence of God Almighty for His blessings and mercy, so that the author can complete the preparation of the thesis proposal entitled "The Gen Z Preferences in Choosing a doctor: A Qualitative Study in Indonesia, Malaysia, And Singapore" as one of the requirements for obtaining a Bachelor's Degree in Communication Studies Program in Communication Science study program in the Faculty of Communication and Business, Telkom University.

In compiling this thesis proposal, the author received a lot of help in the form of prayer, guidance, motivation, encouragement, and material support from various parties. The author realizes that without the help of these parties, the preparation of this thesis proposal would not have been completed. Therefore, the author expresses his deepest gratitude to:

1. Mr. Prof. Dr. Adiwijaya, S.Si., M.Si. as Rector of Telkom University.
2. Mrs. Ade Irma Susanty, Ph.D., as Dean of the Faculty of Communication and Business, Telkom University.
3. Mrs. Idol Perdini Putri, Ph.D., as Head of the Communication Studies Program, Faculty of Communication and Business, Telkom University.
4. Mrs. Sylvie Nurfebiaraning, S.Sos, M.Sc., as the Trustee Lecturer who has made a major contribution in providing time, thought, direction, and motivation for the author in completing this thesis proposal.
5. Mr. M. Syahriar Sugandi, SE., M.I.Kom., as Supervising Lecturer who has made a major contribution in taking his time, mind, energy and attention in providing guidance, direction, suggestions and motivation for the writer in completing this thesis proposal.
6. Mr. and Mrs. Lecturers of the Communication Studies Program who have provided knowledge, insight, understanding, and experience while the author was studying at the Faculty of Communication and Business, Telkom University.
7. All respondent, who are willing to give their time, experience, and knowledge to the author during the preparation of this thesis proposal.
8. Family who always accompanies, encourage, provide prayer, and material support so that the author can finish this thesis proposal.

9. The entire extended family of KM-43INT1 for their togetherness during their lectures at Telkom University.
10. All parties that cannot be mentioned one by one by the author who have supported and provided assistance to the author in preparing the final project. May God Almighty always give blessings to all parties who have assisted the author in preparing this thesis proposal.

The author realizes that in the preparation of this thesis proposal there are still many shortcomings and far from perfection. Therefore, the author expects criticism and suggestions that can build and be treated by the author for future improvements. Finally, author hope this thesis proposal can be useful for the author's knowledge and for the readers
