

PREFACE

Praise and gratitude to Allah SWT for His guidance and grace I was able to work on and complete this Final Assignment Proposal entitled “IMPROVEMENT PROPOSAL TO ESTIMATE OPTIMUM AMOUNT OF STOCK IN THE WAREHOUSING PROCESS USING NEWSVENDOR MODEL (CASE STUDY: PT. GROW COMMERCE INDONESIA)” in a timely manner.

The purpose of writing this Final Assignment is to fulfill the graduation requirements of Industrial Engineering major of Telkom University. In addition, this Final Assignment Proposal also aims to learn more about the use of Newsvendor Model in the warehousing process.

This Final Assignment is only possible with the help of many parties; therefore, I would like to thank all parties involved in the working of this Final Assignment Proposal:

1. Allah SWT. For His grace I can attend Telkom University and finish this Final Assignment Proposal on time,
2. Telkom University, School of Industrial Engineering, who has accepted me as a student and give the knowledge I need,
3. PT. Grow Commerce Indonesia as a company that has given me a chance to observe the company’s situation and problem,
4. Dr. Dida Diah Damayanti, S.T., M.Eng.Sc as my 1st advisor for this Final Assignment,
5. Mr. Seto Sumargo, S.T., M.T. as my 2nd advisor for this Final Assignment,
6. All the friends and family who’re always there supporting me, much love.

I realize there are still many shortcomings in this report that I made. Therefore, suggestions and criticisms are very needed to improve my abilities to ensure the perfection of this report.

That's all from me, thank you for your attention.
