# PREFACE

All praise and gratitude to the presence of Allah SWT for the presence and blessings, the grace that is always bestowed, so that I can complete the thesis entitled " IMPLEMENTATION OF ERP-BASED OPEN-SOURCE ODOO FOR CHICKEN FARM WAREHOUSE MANAGEMENT SYSTEM USING THE QUICKSTART METHOD" as one of the requirements in completing the Strata 1 (S1) Program in the S1 Information System of Telkom University.

I encountered many challenges in the preparation of this thesis, and I thank all those who have helped me during this trying period. During the preparation of this thesis there have been many obstacles that the compiler has passed and without the help of many parties it would have been difficult for the compiler to complete this thesis, for that the compiler would like to thank:

1. Avon Budiono, S.T., M.T. as lecturer and advisor 1 of this research who gave guidance on completing this research.
2. Warih Puspitasari, S.Psi., M.Psi. as a lecturer and advisor 2 of this research who gave advice on completing this research.
3. Rokhman Fauzi, S.T., M.T. as the academic supervisor who always provides guidance and directs the authors in completing this research.
4. CV. Cindil Laras who was willing to work together on completing this research

Finally, the authors say many thanks to all those who help and may Allah SWT always bestow his millions of gifts in all our good deeds and be given good rewards too. Amen.
