

## DAFTAR SINGKATAN

|           |                                    |
|-----------|------------------------------------|
| Riskesmas | : Riset Kesehatan Dasar            |
| RPM       | : Revolution Per Minute            |
| FBC       | : Flat Blade Cutter                |
| WBC       | : Wave Blade Cutter                |
| LCD       | : Liquid Crystal Display           |
| DC        | : Direct Current                   |
| PID       | : Propotional Integral Device      |
| CD        | : Capstone Design                  |
| Kg        | : Kilo Gram                        |
| V         | : Volt                             |
| I/O       | : Input or Output                  |
| AC        | : Alternating Current              |
| N/m       | : Newton Meter                     |
| Kp        | : Konstanta Proporsional           |
| KI        | : Konstanta Integral               |
| KD        | : Konstanta Derivatif              |
| NTC       | : Negative Temperature Coefficient |
| G         | : Gram                             |
| S         | : Sekon                            |
| C         | : Celcius                          |
