

FOREWORD

Alhamdulillah, the writer always prays to Allah SWT who has bestowed His mercy so that this mini thesis can be completed. The author in making this mini thesis examines theoretically and empirically about **“FORECASTING LQ45 INDEX PRICE USING MACROECONOMIC VARIABLES OF BAĞCI AND CITAK UNDER MACHINE LEARNING PREDICTION”** As an ordinary human being, the author realizes the shortcomings in terms of knowledge and insight that the author has, as well as the limitations of other factors. Therefore, without the help of various parties, especially the supervisory committee, this thesis could not be completed.

On this noble occasion, the author would like to express his deepest gratitude to the honorable:

1. Allah SWT who has given strength, convenience, favors and gifts so that the author is given convenience in completing this thesis.
2. Dr. Ir. Nora Amelda Rizal, M.Sc., MM as the first supervisor who always gives direction to the author in the preparation of the thesis
3. Suhah Kusairi, SE, M.Si., Ph.D as the first examiner lecturer
4. Dr. Astrie Krisnawati, S.Sos., MSi.M as the second examiner lecturer
5. Puspita Wulansari SP., MM., Ph.D As the guardian lecturer who always provide support and motivation during the author's lecture
6. Ratih Hendayani ST. MM as the Chair of International ICT Business study program
7. Dr. Ratri Wahyuningtyas ST, MM as the Dean of the Faculty of Economics and Business
8. The author's parents are Mr. Surya Gunawan and Mrs. Isyanti Binayani who have given much support and prayers to the writer so that the writer can finish this thesis.

The authors accept with pleasure and grace of any suggestions as well as criticism from various parties aimed at the perfection of writing this mini thesis

with the hope that it can be useful for all of us. The author will not be able to repay the services of the father and mother, but the author always prays that Allah SWT will give the right reward.
