PREFACE

First of all, thanks to Allah SWT for that, the author has finished writing a paper entitled "Analysis of Most Favorable Tourism Places in Bali using Destination Image, Sentiment Analysis, and Social Network Analysis" at exactly the planned time. The purpose of writing this thesis is to meet one of the graduation requirements for the S-1 level of the ICT Business Study Program, Faculty of Economics and Business, Telkom University Bandung.

In preparing this paper, the author has indeed encountered a lot of challenges and obstacles, but with the help of many parties, these obstacles can be overcome. In this study, the authors get a lot of guidance, criticism, suggestions, and motivation very large from all sides. Therefore, the author would like to thank:

1. Dr. Andry Alamsyah S.Si., M.Sc as Academic Advisor

2. Mochamad Yudha Febrianta, S.T., M.M. as Guardian Lecturer

3. Parents, who always support and facilitate my needs while working on this mini thesis

4. Colleagues and friends, who helped and accompanied me in working on my mini thesis

5. All parties who have helped me directly or indirectly in completing this research
