

GRATITUDE NOTE

Assalamualaikum Warahmatullahi Wabarakatuh,

Praise and gratitude the author prays for the grace and blessing of Allah SWT, who has given an abundance of blessings and guidance so the author can complete this undergraduate thesis with title “**Research on Raspberry Pi 3B+ For Load Balancing On 2 Web Server**” as one of the requirements to complete the undergraduate program of Telecommunication Engineering.

The author realizes that in the preparation of this final project there are still many obstacles and shortcomings. The author really expects constructive criticism and suggestions for this final project.

In the preparation of this undergraduate thesis, the author received a lot of help, guidance and support by several parties who made this undergraduate thesis complete as it should be. Therefore, the author would like to express deepest gratitude to:

1. **Allah SWT**, with all His graces and gifts that give strength and patience to the writer in completing this Final Project.
2. **Subandi**, I would like to extend my heartfelt appreciation for the unwavering support, invaluable assistance, and unwavering commitment that you, as the author of this thesis, have provided. Verbal expressions are insufficient to adequately convey the immense value of your contribution within the context of our research endeavor. You have served as both a paternal figure and a mentor, providing inspiration and guidance throughout the entirety of this writing endeavor. Each stage of the research process is guided by your careful touch and attentive observation. I express my gratitude for your valuable assistance in aiding me to develop ideas, establish a coherent structure, and provide comprehensive elaboration on the significant components of this thesis. Your capacity for adopting alternative viewpoints has facilitated my recognition of previously disregarded facets. All of these accomplishments are the result of our united diligent efforts and unwavering commitment. I am pleased to have the opportunity to partake in this occasion beside you.

3. **Nurhayati**, as the author's parents that always provided the best support in the form of unceasing attention, enthusiasm and prayers. So that the author can complete this final project thanks to the encouragement of parents as good as them.
4. **Sofia Naning Hertiana. S.T., M.T.**, as supervisor I i would like to express my sincere gratitude to Supervisor I for their invaluable help, unwavering support, and insightful direction during the entire process of composing this thesis. The invaluable counsel and input provided by you have been important in facilitating the completion of this research endeavor. I am grateful for the time and commitment you have devoted to assisting me in attaining this accomplishment. It is anticipated that this expression of thankfulness will be manifested through the attainment of favorable outcomes. I express my sincere gratitude for your assistance.
5. **Mr. Arif Indra Irawan, S.T., M.T.**, as supervisor II of the author who has guided, provided direction and provided the best solution when working on the undergraduate thesis. Thank you to Mr. Arif who has always been patient and sincere in guiding the author and making the author to be in his current position, sorry if the author has wrong words or behavior that is not pleasing to Mr. Arif's heart, may Mr. Arif always be given health, facilitated in all business.
6. **Ultramilk**, i want to thank you very much for your help, encouragement, and friendship during this study process. Without you, this journey wouldn't be as colorful and important as it is now. When problems and challenges came up, you were always there to cheer me on and give me faith. You have always listened to me and helped me when I need it. Thank you for taking the time to talk about ideas, help me get past problems, and give me useful information. Our work together improves not only this study but also our friendship. I really appreciate that you are willing to give me comments and argue with me to help me come up with ideas. I learned a lot from the way you look at things. Friends, you have been a big part of how well this study has turned out. Thank you for being there and making an important impact. Thank you for being with me every step of the way. I hope that our friendship will keep getting stronger as time goes on.
7. **Other**, as those who have helped and filled the author's day in completing this lecture. We apologize profusely that cannot be mentioned one by one. May good things always be with all of you friends.

May Allah SWT always provide and make the path easy for his servants. May all goodness be rewarded in finitely by Allah SWT.
