Dinas Kesehatan Kab,Siak service office is one of Regency government agencies that works in the field of health administration and health training under the auspices of the Dinas Kesehatan Provinsi Riau, Indonesia. In designing the interior of Dinas Kesehatan Kab.Siak service office, there are several problems that will be designed, the atmosphere and layout are monotonous and stiff so that it feels bored and uncomfortable, there are several interior elements that are less than ideal which can reduce enthusiasm for work, inadequate facilities. thus disturbing the comfort of work activities. Therefore, the research aims to create a redesign of the interior of Dinas Kesehatan Kab.Siak service office with a better layout and can provide comfort when carrying out work activities from the current interior design, so that the interior redesign of Dinas Kesehatan Kab.Siak service office can provide enthusiasm. and motivation to work for office employees. Dinas Kesehatan Kab.Siak Service Office is located in Komplek Perkantoran Pemda Sei Betung. Kec Siak, Kab Siak Sri Indrapura, Riau, Indonesia. Designing office interiors aims to create comfort for users of the office facilities.

Keywords: *office, Dinas Kesehatan Kab.Siak, comfort.*
