

FORE WORD

Praise and gratitude to Allah SWT, for His grace and blessings, the author can complete the preparation and writing of this thesis with the title “ANALYSIS OF INTERPERSONAL COMMUNICATION BETWEEN DAUGHTERS AND RETIRED FATHERS IN JAKARTA”. This research was conducted to fulfill one of the requirements to obtain a Bachelor of Communication Science degree in the Communication Science Study Program, Faculty of Communication and Business, Telkom University.

During conducting this research, the author received many lessons, guidance, support, prayers, motivation, as well as time and energy spent by many parties who ultimately helped the process of working on this research. There are no words that the author can say other than thank you to:

1. Prof. Dr. Adiwijaya, S.Si., M.Si., as the rector of the Telkom University of Bandung.
2. Dr. Idola Perdini Putri, Ph.D., as Head of the Communication Science Department of the Faculty of Communication and Business, along with all of her staff, who have provided guidance to all Communication Science students of the Faculty of Communication and Business.
3. Diah Agung Esfandari, B.A., M.Si., as the author's supervisor who has contributed greatly to taking the time, thought, and attention to provide guidance, direction, and advice for the author during the preparation of the thesis.
4. Dr. A. Hasan Al Husain, S.IP., M.I.Kom, as the author's guardian lecturer who has provided guidance, advice, support and direction during the author's time as a student at Telkom University.
5. My Family– Mama, Ayah, and Abang. Thank you for the endless support that all of you have given me. Words can't describe how grateful I am to all of you. Thank you for always support and encourage me in carrying out my education until I will complete my education at Telkom University.
6. My closest friends at uni, Thasya, Gebi, Ara, Michelle, and Dwi. Thank you for sticking around, struggling, helping each other and providing support together all this time, from semester 1 until now we will graduate from this campus.
7. My high school sweethearts, Kirei, Caca, Amel, Nadila, and Jihan who have always been together for the past 7 years. Thank you for being a place to share

stories and always provide support and advice even though we don't meet every day.

8. All of the informants of this research who have been willing to provide information and assist the author in completing this research. Thank you very much for taking the time.
9. And of course, the other parties that the author cannot mention one by one, may Allah SWT reward them in the future, Amin.

The author realizes that the research made is far from perfect both in writing and research, and there are still many shortcomings from all aspects. For that, the author hopes for suggestions and criticisms that can build towards a better future. The author also hopes that this research can be useful for others and all Telkom University students, especially for the author.
