

## DAFTAR ISI

|                                                      |      |
|------------------------------------------------------|------|
| KATA PENGANTAR .....                                 | i    |
| ABSTRAK .....                                        | ii   |
| ABSTRACT .....                                       | iii  |
| DAFTAR GAMBAR .....                                  | vii  |
| DAFTAR TABEL .....                                   | viii |
| BAB 1 PENDAHULUAN .....                              | 1    |
| 1.1 Latar Belakang .....                             | 1    |
| 1.2 Rumusan Masalah.....                             | 1    |
| 1.3 Tujuan .....                                     | 2    |
| 1.4 Batasan Masalah.....                             | 2    |
| 1.5 Metode Pengerjaan .....                          | 2    |
| 1.6 Jadwal Pengerjaan .....                          | 5    |
| BAB 2 TINJAUAN PUSTAKA .....                         | 6    |
| 2.1 Sistem Informasi .....                           | 6    |
| 2.2 Fasilitas Kesehatan.....                         | 6    |
| 2.3 Tools Pemodelan Sistem.....                      | 6    |
| 2.3.1 Use Case diagram .....                         | 6    |
| 2.3.2 Business Process Modeling Notation (BPMN)..... | 7    |
| 2.3.3 Entity Relationship Diagram.....               | 10   |
| 2.4 Tools Pengembangan Aplikasi .....                | 11   |
| 2.4.1 HTML .....                                     | 11   |
| 2.4.2 CSS.....                                       | 11   |
| 2.4.3 PHP .....                                      | 11   |
| 2.4.4 Java Script .....                              | 12   |
| 2.4.5 Tailwind CSS .....                             | 12   |
| 2.4.6 Laravel.....                                   | 12   |
| 2.4.7 Visual Studio Code.....                        | 13   |
| 2.4.8 MySQL .....                                    | 13   |
| 2.5 Pengujian Perangkat Lunak.....                   | 13   |

|                                       |                                                                             |    |
|---------------------------------------|-----------------------------------------------------------------------------|----|
| 2.5.1                                 | <i>Black Box Testing</i> .....                                              | 13 |
| BAB 3 ANALISIS DAN PERANCANGAN.....   |                                                                             | 14 |
| 3.1                                   | Analisis .....                                                              | 14 |
| 3.1.1                                 | Gambaran Sistem Saat Ini .....                                              | 14 |
| 3.1.2                                 | Perbandingan Aplikasi Sejenis.....                                          | 16 |
| 3.1.3                                 | Kelemahan Sistem.....                                                       | 19 |
| 3.2                                   | Analisis Kebutuhan Sistem.....                                              | 24 |
| 3.2.1                                 | Analisis Fungsionalitas .....                                               | 24 |
| 3.2.2                                 | Analisis Kebutuhan Perangkat Keras dan Perangkat Lunak .....                | 25 |
| 3.3                                   | Perancangan .....                                                           | 27 |
| 3.3.1                                 | Model Aplikasi.....                                                         | 27 |
| 3.4                                   | Perancangan Antar Muka .....                                                | 42 |
| 3.4.1                                 | <i>Landing Page</i> .....                                                   | 42 |
| 3.4.2                                 | <i>Dashboard Users</i> .....                                                | 43 |
| 3.4.3                                 | <i>Page Search Health Facility</i> .....                                    | 44 |
| 3.4.4                                 | <i>Detail Health Facility Page</i> .....                                    | 45 |
| 3.4.5                                 | <i>Dashboard Admin Page</i> .....                                           | 46 |
| 3.4.6                                 | <i>Detail Data Health Facility Admin</i> .....                              | 46 |
| BAB 4 IMPLEMENTASI DAN PENGUJIAN..... |                                                                             | 47 |
| 4.1                                   | Implementasi .....                                                          | 47 |
| 4.1.1                                 | Implementasi Tampilan Halaman <i>Before Login and Register</i> .....        | 51 |
| 4.1.2                                 | Implementasi Tampilan Halaman Registrasi Akun.....                          | 52 |
| 4.1.3                                 | Implementasi Tampilan Halaman <i>Login</i> .....                            | 52 |
| 4.1.4                                 | Implementasi Tampilan Halaman <i>Dashboard</i> .....                        | 53 |
| 4.1.5                                 | Implementasi Tampilan Halaman <i>Search</i> .....                           | 53 |
| 4.1.6                                 | Implementasi Tampilan Halaman Detail Fasilitas Kesehatan.....               | 54 |
| 4.1.7                                 | Implementasi Tampilan Halaman Create Review .....                           | 56 |
| 4.1.8                                 | Implementasi Tampilan Halaman <i>Dashboard Admin</i> .....                  | 56 |
| 4.1.9                                 | Implementasi Tampilan Halaman <i>Category Health Facility</i> .....         | 57 |
| 4.1.10                                | Implementasi Tampilan Halaman <i>Create New Category</i> .....              | 58 |
| 4.1.11                                | Implementasi Tampilan Halaman <i>Health facility Admin</i> .....            | 58 |
| 4.1.12                                | Implementasi Tampilan Halaman <i>Create New Health Facility Admin</i> ..... | 59 |

|        |                                                   |     |
|--------|---------------------------------------------------|-----|
| 4.1.13 | Implementasi Tampilan Halaman <i>User</i> .....   | 60  |
| 4.2    | Pengujian.....                                    | 61  |
| 4.2.1  | Pengujian dengan <i>Black Box testing</i> .....   | 61  |
| 4.2.2  | Pengujian <i>User Acceptance TEST (UAT)</i> ..... | 109 |
| 5      | BAB 5 KESIMPULAN .....                            | 113 |
| 5.1    | Kesimpulan.....                                   | 113 |
| 5.2    | Saran.....                                        | 113 |
|        | DAFTAR PUSTAKA.....                               | 115 |
