

## FOREWORD

Alhamdulillah, all praise goes to the author for praying for the presence of Allah SWT because for the overflow of His Mercy, the author was able to complete the mini thesis with the title "**WORKLOAD ANALYSIS TO DETERMINE THE OPTIMAL NUMBER OF HUMAN RESOURCES AT SARIRAYA CO., LTD**". The purpose of writing this thesis is to meet one of the requirements for graduating from the Bachelor's Degree International ICT Business Study Program, Faculty of Economics and Business, Telkom University, Bandung.

In this study, the authors received a lot of guidance, criticism, suggestions, and motivation from various parties so that they could complete this research. Therefore, the author expresses his gratitude to:

1. Mr. Dr. Kiki Sudiana, S.T., M.M., GPHR., as a supervisor who has spent a lot of time, provides criticism and suggestions as well as motivations that are very useful for the author.
2. Mrs. Dr. Dian Indiyati, S.H., S.E., M.Si., as the first examining lecturer who has taken the time and energy to provide suggestions and constructive criticism to the author.
3. Mrs. Puspita Wulansari, S.P., M.M., Ph.D., the second examining lecturers who have taken the time and energy to provide suggestions and constructive criticism to the author.
4. Mrs. Dr. Fetty Poerwita Sary, S.S., M.Pd., as a lecturer, the author's guardian from the beginning of the lecture.
5. Mrs. Dr. Ratri Wahyuningtyas, S.T., M.M., as dean of Telkom University School of Economics and Business.
6. Mrs. Ratih Hendayani, S.T., M.M., Ph.D., as head of study program Business Management in Telecommunications and Informatics.
7. The author's parents Fari Ananda and Lia Yuldinawati, and author's two younger siblings who always give support and prayers.

8. Parties who contributed to this research cannot be mentioned one by one.

The author is aware that, due to the limitations of their knowledge, experience and writing ability, this thesis is not without flaws and is not a perfect piece of work. However, the author hopes that this preliminary thesis will prove useful to the author and to all parties who are willing to make use of it.
