5. To my parents, my mom and dad who always provide prayers, motivation, and moral support during the writing of this thesis.
6. To my dear friends, i would like to express my deepest gratitude to my wonderful friends, who have always provided encouragement, support and inspiration. Thank you for the friendship, togetherness, and laughter that always accompany our every step together. You have been an invaluable source of motivation for me.
7. And last but not least, I want to thank me, Tiara Fitri Ardita. I want to thank myself for surviving a long journey filled with uncertainty, doubt, and hard work. I am proud of myself for completing this assignment, not only as an academic obligation, but also as a tribute to the learning process that has enriched my knowledge and strengthened my character.

This thesis is a testament to my commitment and hard work. I promise myself that I will continue to develop myself, learn from my experiences, and not stop here. I will continue to move forward, taking with me all the learning and experience I have gained during this process. The author realizes that this thesis is far from perfect. Therefore, the author is looking forward to constructive criticism and suggestions for future improvements. Hopefully this thesis can provide benefits for readers and can be a reference for further research.
