

## DAFTAR TABEL

|                                                                                |    |
|--------------------------------------------------------------------------------|----|
| Tabel IV. 1 Indikator Pra-kuesioner.....                                       | 62 |
| Tabel IV. 2 Hasil Outer Loading Pra-kuesioner pada SmartPLS .....              | 67 |
| Tabel IV. 3 Hasil Konsistensi Internal Pra-kuesioner pada SmartPLS.....        | 68 |
| Tabel IV. 4 Hasil Nilai AVE Pra-kuesioner pada SmartPLS.....                   | 68 |
| Tabel IV. 5 Hasil Discriminant Validity (HTMT) Pra-kuesioner pada SmartPLS.... | 69 |
| Tabel IV. 6 Indikator pada Kuesioner.....                                      | 69 |
| Tabel IV. 7 Perubahan Indikator pada Kuesioner.....                            | 71 |
| Tabel IV. 8 Rekap Jawaban Responden.....                                       | 78 |
| Tabel V. 1 Analisis Deskriptif .....                                           | 81 |
| Tabel V. 2 Hasil Cronbach's Alpha .....                                        | 83 |
| Tabel V. 3 Hasil Composite Reliability .....                                   | 83 |
| Tabel V. 4 Hasil Average Variance Exctracted (AVE) .....                       | 84 |
| Tabel V. 5 Uji Validitas .....                                                 | 85 |
| Tabel V. 6 Hasil Nilai Cross Loading.....                                      | 86 |
| Tabel V. 7 Hasil Nilai HTMT .....                                              | 87 |
| Tabel V. 8 Hasil Fornell-Larcker .....                                         | 88 |
| Tabel V. 9 Asesmen Kolinearitas pada Level Variabel .....                      | 89 |
| Tabel V. 10 Hasil Nilai Koefisien Jalur .....                                  | 90 |
| Tabel V. 11 Hasil Nilai Signifikansi Koefisien Jalur.....                      | 90 |
| Tabel V. 12 Koefisien Determinasi.....                                         | 91 |
| Tabel V. 13 Pengujian Hipotesis.....                                           | 92 |
