

ACKNOWLEDGEMENT

The pursuit of a Master's degree has successfully ended with the finalization of this thesis. This significant achievement is made possible by the unwavering support, dedication, and heartfelt prayers of my family, relatives, friends, and esteemed lecturers. Therefore, I wish to extend my heartfelt appreciation and profound thanks to:

1. My beloved parents, **Mr. Mazali** and **Mrs. Sastati**, who have always been there during my toughest times, continuously showering me with love, prayers, and motivation to become a better person.
2. My siblings, **Dr. Saza Perdana Putri** and **Aflah Zayana Ssyifa**, who provided laughter and support, encouraging me to complete this thesis.
3. **Assoc. Prof. Dr. Eng. Khoirul Anwar, S.T., M.Eng.** as my supervisor who provided guidance, feedback, and motivation throughout the completion of this thesis. Thank you for teaching me to always strive for excellence in contributing to the world of knowledge, grounded in honesty and sincerity, as well as for all the exceptional knowledge and advice that have inspired me.
4. **Dr. Gelar Budiman, S.T., M.T.** as Co-Supervisor who provided guidance, feedback, and support during the process of completing this thesis.
5. **Lia Suci Waliani**, as a friend since the beginning of my studies, has provided support, offered advice, and served as a confidant for sharing thoughts and laughter.
6. **Dyan Ahadiansyah, Melinda Br Ginting, and Muhammad Imansyah Basudewa**, who have provided mutual support, life lessons, laughter, and memories, making our days together truly joyful and memorable.
7. All ACP members who have accompanied the author's days while studying at Magister: **A. Muh. Mufqi Zuhudi, Nicola Akmal Afrinaldi, Goki Folder Rudianto Purba, and Angga Itsar M.** It's nice to get to know and learn with you. As I take a moment to reflect on our journey together, I am filled with gratitude for the

countless instances when you've been there for me, offering your guidance, encouragement, and genuine kindness.

8. To the family of *The University Center of Advanced Intelligence for Wireless Communications* (AICOMS), especially **Citra Dewi Anggraeni, Hanin Robbi Roddhiah, and Sri Anggeny Marta Fiona**. Thank you for the assistance, knowledge, experiences, entertainment, laughter, and all forms of support that I will never forget during my journey to complete this thesis.
9. All author's friends who cannot be mentioned one by one, who have helped the author to finish this thesis.

All I can say is thank you. I'm sorry if I misspell any names or titles. To anyone I missed in my gratitude above, I sincerely apologize for the oversight. May Allah, the All-Knowing, who sees everything, remember your kindness and bless you abundantly.
