

## PREFACE

All praises be to Allah SWT, the All-Knowing, for His abundant mercy and guidance. I am grateful to have completed this thesis titled "**BLOCKCHAIN FOR TRACEABILITY AND SECURITY IN THE PHARMACEUTICAL SUPPLY CHAIN.**" This thesis was written as a requirement for graduation from the undergraduate (S1) Management of Business Technology and Information (MBTI) study program, Faculty of Economics and Business, Telkom University, Bandung.

In completing this research and writing this thesis, I received significant guidance, criticism, advice, and motivation from various parties. Therefore, I would like to express my heartfelt gratitude to:

1. Dr. Andry Alamsyah, S.Si., M.Sc., and Mr. Herry Irawan, M.M., M.T., my supervisors, for all the guidance, direction, advice, and support provided, enabling the successful completion of this thesis.
2. Mr. Mochamad Yudha Febrianta, S.T., M.M., my academic advisor, for guiding me from the beginning to the end of my studies.
3. All lecturers of the undergraduate (S1) Management of Business Technology and Information (MBTI) study program who have provided me with valuable knowledge and guidance throughout my education at Telkom University.
4. My beloved parents, Dwi Abidin and Andriani, and my sister, Ersadya Wianda Putri Abidin. Thank you for all your support, love, attention, advice, and prayers, and for always being patient with me. I hope to make you all proud.
5. Bella Amalia, Dienda Nur Fitria, and Galuh Indah, my friends in Surabaya, have always been there for me in every situation, offering unwavering support and encouragement.
6. Hasna, Nana, Marissa, Nida Naufa, Acha, Malindo Geng, and my close friends who have always been my second home in Bandung, providing me with comfort, support, and companionship during the completion of this thesis.
7. All parties who have been involved, either directly or indirectly, in helping me complete this research.

I also wish to extend my deepest gratitude to everyone who has contributed to the smooth running of this research, both directly and indirectly. May this thesis provide benefits and positive contributions to the development of knowledge and practice in this field. Amen.
