

FOREWORD

By offering praise to God the Father in Heaven who has bestowed His grace and blessings so that the author can complete this Final Assignment with the title "Designing Of Signage And Wayfinding As Information For Lawang Sewu" as one of the requirements to complete the Bachelor's Degree (S1) in Visual Communication Design at Telkom University. The author realizes that this Final Assignment will not be completed without the support, guidance, and suggestions from various parties during the preparation of this final assignment. On this occasion the author expresses many thanks to:

1. Mr. Aria Ar Razi, S.Ds., M.Ds. as the first supervisor for all the guidance, direction, and suggestions given to the author so that this final assignment can be completed properly.
2. Mrs. Intan Kusuma Ayu, S.Ds., M.Ds. as the second supervisor for all the guidance, direction, and suggestions given to the author so that the author can complete this final assignment properly.
3. Mrs. Yelly Andriani Barlian S.S., M.Pd., as the advisor for all the support given to the author so far.
4. The lecturers who have provided knowledge to the authors so that the author can use it during the final assignment.
5. The author's parents for all the support, prayers, and encouragement given to the author.
6. Augustine and Marcelinus as siblings and cousins for all the support and prayers given to the author during the final assignment.
7. DK44INT especially Moira, Septia, Cindy, Zia, Gandes, Sausan, Adila, Sabhina and Sheila who have given encouragement and have struggled with the author for the past 4 years. Thank you for the experiences and joys and sorrows that have been experienced together.
8. The author's high school friends who have always given encouragement to the author until now.
