PREFACE

With all praise to Allah the Almighty, the most Merciful. Because of His blessings, I can complete this thesis. May His blessing go to His final Prophet Muhammad (peace be upon him), his family, and his companion.

I want to thank those who have helped me complete this thesis, which is entitled "Question Template Extraction Using Sequence Labeling Approach". This thesis was written as a partial fulfillment of the requirements for the degree of Master of Informatics. I hope that this thesis will be useful to all the readers. I realize that this thesis is far from perfect, therefore, I expect suggestions and constructive criticism to improve the writing of this thesis.
