

PREFACE

First and foremost, I express my gratitude to the Almighty God for His grace, love, and guidance, which has enabled me to complete this mini-thesis titled “THE USE OF DMAIC APPROACH IN INDONESIAN SNACK MANUFACTURING SME: DRIVING COST-EFFECTIVE, HIGH-IMPACT IMPROVEMENT AT CV ANEKA SUMBER REZEKI.” This mini thesis is submitted as part of the requirements for obtaining a Bachelor's degree from the Faculty of Economics and Business, Telkom University, Bandung.

Throughout the process of writing this mini-thesis, I have received extensive guidance, feedback, and motivation from various individuals. Therefore, I would like to express my sincere thanks to:

1. Ratih Hendayani S.T., M.M., Ph.D, the Head of the Education Program, and my thesis supervisor, for her unwavering guidance and support throughout the completion of this mini-thesis.
2. Sri Widiyanesti, S.T., M.M., Ph.D. as the first examiner and Dr. Nurvita Trianasari, S.Si., M.Stat. as the second examiner whose provided constructive advice and suggestions for this mini-thesis.
3. Indira Rachmawati S.T., M.S.M., Ph.D, my academic advisor and homeroom advisor, for her continuous advice, support, and direction.
4. Honorable lecturers of the International ICT Business Study Program at Telkom University, who provided me with valuable knowledge, experience, and insights throughout their studies.
5. My beloved parents – Yohanes M & Chandri P – and my brother, though they are in Manado, for their immense encouragement and support me financially and spiritually through their prayers, which have always been my strength.
6. The owner and all the staff of CV Aneka Sumber Rezeki, for their invaluable assistance, data provision, and unwavering support, which greatly contributed to the smooth completion of this research.

7. To all my beloved best friends Amel, Aubrey, Bryan, Dikky, Mouton, Riski, Syakila, Tasya, and Zahria and the rest of MB-45-INT-1 students. Also, for my special partner Reza for their invaluable support, contributions, and motivation throughout this research.
8. To all my friends from Manado, Sela, Enmi, Lady, Audry, Aireen, Tessa, Key, Shellyn, Yemima, Sifa, Putri, Zazchya and everyone who supports me through their prayers and theirs availability to hear me venting.

I hope that this mini thesis will be beneficial for readers and contribute to further academic study. I am aware that there are still some shortcomings in this work, and therefore, I am open to any constructive suggestions for future improvements.
