

ACKNOWLEDGMENTS

This thesis is compiled with the effort, help, and support from both students and lecturers. I would like to express my deepest gratitude and thanks to:

1. I thank God for His guidance and for giving me the health and strength to complete this thesis.
2. My heartfelt thanks to my beloved parents for their continuous support and prayers until this day.
3. I would like to express my gratitude to my supervisor, Dr. Erwin Budi Setiawan, S.Si., M.T., for their constant guidance, insightful knowledge, and encouragement throughout my thesis.
4. I sincerely thank our Head of the Master's Program in Informatics, Dr. Setyorini, S.T., M.T., for always motivating us to complete our thesis.
5. I'd like to extend my gratitude to all lecturers in the Master's Program in Informatics for their teaching and invaluable knowledge throughout the last four semesters.
6. I sincerely thank all administrators of the Master's Program in Informatics for providing resources and assistance in monitoring thesis progress till thesis defense.
7. Last but not least, I am grateful to my dear friends, Rara and Nida, for their cheering and support through the past two years.
