

## LIST OF FIGURES

Figure 2.1 Type of ML based on its training data .....	11
Figure 2.2 Flask required files .....	16
Figure 3.1 Work process stages using iterative design and evaluation .....	17
Figure 3.2 Use case diagram .....	23
Figure 3.3 Research architecture.....	24
Figure 3.4 Servers architecture .....	25
Figure 3.5 PAC control server architecture .....	25
Figure 3.6 Reinforcement learning process .....	27
