

DEDICATION

In completing this thesis, the author recognizes that this achievement would not have been possible without the support and guidance of numerous individuals who have generously provided their assistance, direction, and encouragement, both materially and morally. The author therefore wishes to express heartfelt gratitude to:

1. Allah S.W.T., for His grace and guidance, which provided the author with health and smoothness in every stage of this thesis.
2. The author's husband, Mr. Mochammad Rizki For his endless support, patience, and encouragement throughout this journey. Thank you for being my anchor, my confidant, and my greatest cheerleader.
3. The author's mom, Mrs. Hariyanah also author's sister Dian Agustina and Rizky Dwi whose prayers and unwavering support have greatly motivated the author to complete this thesis.
4. Dr. Ir. Sofia Naning Hertiana, M.T as the First Supervisor, and Dr. Ir. Erna Sri Sugesti, M.Sc as the Second Supervisor, for their invaluable knowledge, guidance, and motivation that enabled the author to carry out this thesis with a structured approach and timely completion.
5. All family members and friends who have continuously offered prayers, support, and encouragement in every step of completing this thesis.

The author sincerely apologizes for any shortcomings or mistakes in the completion of this thesis. May this work be beneficial to all parties.
