

ACKNOWLEDGMENTS

I express my sincere appreciation to my supervisors Dr. Nyoman Bogi Aditya Karna, S.T.,MSEE. as the First Supervisor, and Prof. Dr. Indrarini Dyah Irawati, S.T., M.T., as the Second Supervisor for their invaluable guidance, insightful feedback, and unwavering support throughout the research process. Their support and direction have been instrumental in my achievement of becoming a cybersecurity professional at a major company and have paved the way for promising career opportunities in the future. Thank you for your unwavering dedication and encouragement.
