

LIST OF FIGURES

3.1	Flowchart Design System.	12
3.2	Data preprocessing steps	13
3.3	Illustration of Hybrid Models Architecture	15
3.4	Illustration of word embedding methods based on context.	16
3.5	Self-attention mechanism structure.	19
3.6	Illustration of the global attention mechanism.	20
4.1	Sentiment Distribution on US Airline and IMDb Datasets	25
4.2	Comparison of Data Distribution Before and After Augmentation on the Twitter US Airline Dataset	34
4.3	Comparison of Self-Attention Performance Before and After Augmentation	35
4.4	Comparison of Global Attention Performance Before and After Augmentation	35
