8. My dear parents (Mrs. Nana Herlina and Mr. Suhatman), as well as my beloved grandparents (Mr. Syamsir and Mrs. Era Deswita), for all of their love, prayers, efforts, and sacrifices for the author to live a good life, pursue education, and achieve the highest possible achievement.
9. To my beloved siblings, Andhyni Naura Suhatman and Damian Axl Maisaan Suhatman, who serve as the main inspiration for the design of this picture book. The siblings who consistently offer valuable lessons through their behavior and actions directed towards the author every single day.
10. My dearest best friends and partners; Anggis Kendeya, Annisa Ulwati, Suyani Alie, Afifah Tsurayya Daska, Putri Adriz, Naurah Waddamah Azulef, and Deanda Putri Khairin, who always provide assistance, support, and companionship when the author is in need to survive. Then, other friends also sent prayers and gave support.
11. Lee Jenio and Qian Kun from NCT inspired the author during college with their academic achievements and offered entertainment through the content that they produced alongside other NCT members.

This final project was designed to implement and enhance the knowledge and experience gathered throughout the lectures. The author acknowledges that this final project contains several shortcomings and limitations. Therefore, constructive criticism and suggestions will be greatly appreciated and welcomed.

Last but not least, the author believes that this final project will help everyone, lead to discoveries, and raise awareness of autism. Thank you for everything.
