

LIST OF FIGURES

Figure I-1. Mental health in Indonesia (Wahdi et al., 2022).....	1
Figure I-2. Mental health problems in Indonesia (Wahdi et al., 2022).....	2
Figure II-1. CRISP-DM Phases (Chapman, 2000).....	10
Figure II-2. Procedure of text preprocessing (Tabassum & Patil, 2020)	13
Figure II-3. Examples of k-means clustering	18
Figure III-1. Systematic problem-solving flowchart using CRISP-DM method ..	32
Figure IV-1. Scraping overview.....	35
Figure IV-2. Setup and data loading process	36
Figure IV-3. Text filtering process.....	37
Figure IV-4. Text normalization process	38
Figure IV-5. Stopword removal and stemming process	39
Figure IV-6. Data export process	39
Figure IV-7. Word2Vec embedding process	42
Figure IV-8. Elbow method process	45
Figure IV-9. Elbow method for finding the optimal k value	45
Figure IV-10. K-means clustering process.....	48
Figure IV-11. K-means visualization using PCA	49
Figure V-1. Distribution of cluster documents	54
Figure V-2. Top 5 most frequent bigrams on the cluster 0	56
Figure V-3. Top 5 most frequent bigrams on cluster 1	57
Figure V-4. Top 5 most frequent bigrams on cluster 2	58
Figure V-5. Top 5 most frequent bigrams on cluster 3	60

Figure V-6. Treemap visualization of the generated cluster	62
Figure V-7. User interface of the dashboard.....	65
Figure V-8. Example of input data in the dashboard	65
Figure V-9. Example of the result.....	66
