

ACKNOWLEDGMENTS

Bismillaahirrahmaanirrahiim. Alhamdulillahirabbil'alamin.

In the name of Allah, the Most Gracious, the Most Merciful. All praise is due to Allah, the Lord of the Worlds, the Most Compassionate, the Most Merciful. The Master of the Day of Judgment. O Allah, thank you for Your Grace and Bless, so I was able to complete the study. Without Your Kindness, I will not be able to finish this thesis and achieve the Master's degree.

The completion of this thesis signifies the culmination of my journey toward earning a Master's degree. This achievement would not have been possible without the unwavering support, encouragement, prayers, and contributions from my family, mentors, colleagues, and friends. Therefore, the author would like to express the deepest gratitude and thanks to:

1. **Mr. Abdul Kadir and Mrs. Nasira**, my beloved parents, for your endless support, prayers, and love, which have been the foundation of my strength throughout my studies.
2. **Firmansyah Hidayat AK and Kasna Ningsi Kusuma**, my dear siblings, for always being present, providing comfort, and offering encouragement during moments of challenge.
3. **Prof. Dr. Ir. Jangkung Raharjo, M.T.**, my supervisor, for the invaluable guidance, inspiring mentorship, and insightful knowledge shared during my Master's journey.
4. **Dr. Ir. Ekki Kurniawan, S.T., M.T.**, my co-supervisor, for your guidance, trust, and constructive feedback, as well as for providing the research tools that greatly supported my work.
5. **Dr. Ida Wahidah, S.T., M.T.**, Head of the Master of Electrical Engineering Study Program, for your wisdom, leadership, and dedication to improving the program.
6. **Mrs. Giashinta Larasati and Mr. Insan Nur M**, the administrative team of the Master of Electrical Engineering Study Program, for your patience, assistance, and continuous support in academic administration.
7. **All staff of the Master's program**, especially Mrs. Giashinta Larasati and Mr. Insan Nur M, for answering my questions and clarifying matters during my studies.

Perhaps that all is what the author can say. I do apologize if there is a misspelling for name and titles. For the parties who missed the above gratitude, I apologize profusely for the negligence. May Allah the All-Knowing, whom nothing escapes His control, record your kindness and reward it with the best possible reward.
