

ACKNOWLEDGMENTS

The author has received countless help and support both directly and indirectly throughout the years while studying at Telkom University. This page will be dedicated to thanks those who gave the author inspirations, all gratitude towards, but not limited to:

- Allah Almighty for His blessing towards the health the author relied upon, the guidance for sharpening the mind, the body that acted according His will, and the earth.
- Ayah Rizki and Ibu Ayu, the parents of the author, their support and unconditional love gave meaning for every step the author takes. This gratitude is nothing compared to what they have done for the author's life.
- Teh Fira as the author's only sibling and her husband Bang Riddy. Without her, there would be no competition while growing up.
- Mr. Suryo Adhi Wibowo as the first supervisor who has given insights and knowledge towards the author since the third year of bachelor's degree. Without his guidance, the author would not be able to delve deep into academic study.
- Mr. Nyoman Bogi Aditya Karna as the second supervisor who also has helped the author by giving guidance and useful knowledge. Thank you for all the years.
- The lecturers who have provided lessons without tire at Telkom University.
- Dearest friends of Daskom Laboratory '20 that have changed the outlook of university life for the author. Thank you for your companionship, happy to see where all of you stand now.
- Friends of IMV Laboratory, thank you for everything. Thank you for being there to share knowledge and a place of rest whenever the author feels tired.
- Ma Lo Chill (MLC), special thanks for Cikal, Satria, Agung, and Naufal for being there to play video games and share stories with the author. Thank you for keeping it real.

- 'Room 3' Discord call, thank you for anyone who have joined and share a laugh with one another.
- Thank you for everything to everyone, the author cannot name everyone here but rest assured, in the author's heart of hearts, thank you.
