

DEDICATION

This thesis is compiled with the support of my family. I praise GOD and thanks to all who have helped, directed, and supported this work. I dedicate the work to my beloved parents RIJALI and HARIANTI.

Finally, this thesis is dedicated to all informatics students in the world. I hope that this research may provide a valuable contribution in Computer Science.

ACKNOWLEDGMENTS

This thesis is compiled with the effort, help, and support from both students and lecturers. I express my deepest gratitude and thanks to:

1. God Almighty, Allah S.W.T, for His boundless mercy and grace. It is through His blessings that I was able to complete this research successfully.
2. My beloved parents, La Ode Rijali, B.Ac., and Wa Ode Harianti; my older brother, L.M. Jordhy Setiawan Sazal, S.H.; and my lil sister, Wa Ode Naura Maghfirah, who have always prayed for me and given me incredible support, allowing me to persevere to this day.
3. My mentor, Isman Kurniawan, S.Pd., M.Si., M.Sc., Ph.D., has guided me even amidst his busy schedule. I have gained a lot of valuable knowledge and good examples from him.
4. My bestie, apt. Fanny Olviandari, S.Farm., the kind-hearted little one who has always supported me all this time.
5. Fahdi Labib, an extraordinary person, always patient and helping me in many ways.
6. My comrades in arms: Ghina, Rizky, Bimo, Fiky, Kak Lupi, Kak Ryan, Kak Nida, Kak Dina, and Pram, amazing people who are generous with their knowledge, kind-hearted, thank you for all your support and encouragement.
7. ICUNISM, my high school peers, who have been equally exceptional. They have consistently provided support and motivation whenever I needed it.
8. My senior colleagues from the Residensi club, Saskia, Rakha, Ridha, Bang Aje, Kak Trya, Teh Ifa, and Ravika Onnie. They are amazing people, so kind-hearted, always supporting me and giving endless encouragement.
9. Mba Rana Qonita Rofila, one of the kindest people who has been such a big help to me all this time. Thank you so much, Mba!
10. All the lecturers in the Master's program in Informatics at Telkom University, who have shared their valuable knowledge throughout my studies.
