

ACKNOWLEDGMENTS

This thesis is compiled with the effort, help, and support from various parties. I would like to express my deepest gratitude and thanks to:

1. Dr. Farah Afianti, S.T., M.T. as the Head of the Study Program, for her invaluable guidance and support throughout my academic journey.
2. Rimba Whidiana Ciptasari, S.Si., M.T., Ph.D. as my first supervisor, for her unwavering dedication, insightful advice, and endless patience in guiding me through this research.
3. Dr. Yudi Prayudi, S.Si., M.Kom as my second supervisor, for his valuable input, constructive criticism, and continuous encouragement that significantly contributed to the completion of this thesis.
4. All my friends, whom I cannot mention one by one, for their immense support, discussions, and cheerful spirits that made this journey more enjoyable and manageable.

Finally, I want to extend my heartfelt appreciation to everyone who has directly or indirectly contributed to the successful completion of this thesis.
